Your **ACADEMIC MAP** includes all of the courses required in your degree program, organized in a semester-by-semester sequence that allows you to graduate on time without losing credits, missing classes or falling out of your cohort.

### Associate in Arts: Pre-Psychology 2+2 with Wheeling Jesuit University: Looking Ahead

- The "2+2" term is used to refer to a transfer agreement through which a student completes an Associate degree at one institution and finishes a Bachelor degree at another institution. Due to individual student factors, part-time or full-time status, need for developmental education coursework, scheduling and availability of courses, or other factors, all students may not be able to complete these degrees in 2 (Associate) or 4 (Bachelor) years. The term "2+2" does not imply a guarantee that a student will be able to complete all requirements in 4 years.

### Preparing for Wheeling Jesuit University

- Students are encouraged to meet with a member of the Psychology faculty at WJU early in their program of study at WVNCC to obtain information and counseling concerning the Psychology program.
- Important Note: Students should be aware that the Bachelor of Arts degree in Psychology from WJU does not qualify students for any kind of licensure. Students who are interested in becoming licensed social workers, licensed psychologists, or licensed professional counselors have to complete a Bachelor and/or Master's degree in a field that is license eligible.

We understand that managing multiple responsibilities while attending college can make life complex for many students. So, we pledge to do *our* part, through individualized advising and support, to help *you* make collegiate choices that will lead straight to the finish line.
