#### Associate in Arts: Psychology Concentration: Looking Ahead

- This program is designed for those who expect to transfer to a college or university to study in psychology. The curriculum gives students a broad background in liberal arts with an emphasis on psychology, social sciences and humanities.
- Graduates of this program would plan to transfer to a four-year college or university to complete a bachelor's degree in psychology, and may go on to earn an advanced degree. At the bachelor's level, they may expect to become case managers or service providers in public or private agencies which provide psychological and social services. With an advanced degree, they may expect to become licensed clinical or counseling psychologists working in public or private agencies which provide psychological services.

#### Wage and Employment Trends

- \$63,000 Annual (2015)
- 232,000 Employees (2014)
- Faster than Average Projected Job Growth (9% to 13% between 2014-2024)
- 62,800 Projected Job Openings between 2014-2024

We understand that managing multiple responsibilities while attending college can make life complex for many students. So, we pledge to do our part, through individualized advising and support, to help *you* make collegiate choices that will lead straight to the finish line.
