Certification Option

Your **ACADEMIC MAP** includes all of the courses required in your degree program, organized in a semester-by-semester sequence that allows you to graduate on time without losing credits, missing classes or falling out of your cohort.

Associate in Science: Business Administration Option: Looking Ahead

- This program is designed for students preparing for transfer to a four-year institution to complete work in professional areas of accounting, banking and finance, economics, general business, management, marketing, office administration or related business fields. Students should consult with their advisor regarding requirements.
- Students should always check with the requirements of their desired transfer institution and the program in which they intend to transfer to ensure they are meeting all standards for the institution and their desired program.
- Upon graduation, don't forget to submit an official academic transcript to your desired institution's registrar's office.

We understand that managing multiple responsibilities while attending college can make life complex for many students. So, we pledge to do *our* part, through individualized advising and support, to help *you* make collegiate choices that will lead straight to the finish line.
