       • 2nd Reading—Travel Regulation Applicable to Employees and Governing Board Members (Action) ......................... (Appendix E)
    D. Highlights of President’s Activities for the Month of March
       • Participated in Higher Learning Commission visit. Visit details will be presented once a report is submitted in six to eight weeks. The visit appears to have went well with most of the areas we had identified as needing improvement also being identified by the visiting group. Overall, it appears the College will be in a good position to acquire full accreditation. Please remember, the new requirements will cause a re-visit in five years.
       • Participated in Ohio County Schools music production in their new facility.
       • Began preliminary discussions with a local business concerning the College’s parking lots and potential expansion of their operations.
       • Participated in the Higher Education Day at the Legislature. Students and College staff represented at the Delegate and Senate recognition.
       • The College was recognized for its contributions to the city at the State of the City address by Mayor McKenzie.
