HEALTH AND PHYS ED	HPE 100, HPE 101, HPE 105	1
PSYC 208	Developmental Psychology	3
SS 255	The Global Community	3

*West Virginia University requires transfer students for their baccalaureate Social Work program to complete 100 documented volunteer hours in addition to holding a cumulative 2.5 grade point average

KEY:  Milestone  Certification Option

Your **ACADEMIC MAP** includes all of the courses required in your degree program, organized in a semester-by-semester sequence that allows you to graduate on time without losing credits, missing classes or falling out of your cohort.

Associate in Arts: Social Work 2+2 with West Virginia University: Looking Ahead

- The "2+2" term is used to refer to a transfer agreement through which a student completes an Associate degree at WVNC and finishes a Bachelor's degree at another institution-- in this case, West Virginia University. Because of individual student factors, part-time or full-time status, need for developmental education coursework, scheduling and availability of courses, or other factors, all students may not be able to complete this degree in two years for their Associate's or four years for their Bachelor's. The term "2+2" does not imply a guarantee that a student will be able to complete all requirements in 4 years.

Preparing for West Virginia University

- In addition to the WVNC courses, and while a 2.0 cumulative GPA meets WVNC graduation standards, applicants for admission to WVU need to have an overall GPA of 2.5, 100 hours of documented volunteer experience, a written personal statement and two letters of reference. Qualifying students will compete with other WVU students and transfers for 60 slots.
- Students who do not meet the GPA (or other special) requirements at the transfer institution for admission to this baccalaureate program may not be admitted to the program until they are able to meet those requirements.
- Upon graduation, don't forget to submit your official academic transcript to the Office of the Registrar at West Virginia University
- Students should always consult with their advisor at WVNC and an advisor at WVU early in their program to make sure all requirements are being met for graduation and transfer.

We understand that managing multiple responsibilities while attending college can make life complex for many students. So, we pledge to do our part, through individualized advising and support, to help you make collegiate choices that will lead straight to the finish line.
