| MATH 205 | Math for Teachers II | 3 | |
| *Although a 2.0 Cumulative GPA meets WVNCC graduation requirements, Bethany College requires a 2.5 overall GPA for transfer students into their Elementary Education Program | | | |

KEY:  Milestone  Certification Option

Your **ACADEMIC MAP** includes all of the courses required in your degree program, organized in a semester-by-semester sequence that allows you to graduate on time without losing credits, missing classes or falling out of your cohort.

Pre-Elementary Education 2+2 with Bethany College

- The “2+2” term is used to refer to a transfer agreement through which a student completes an Associate degree at WVNCC and finishes a Bachelor’s degree at another institution. Because of individual student factors, part-time or full-time status, need for developmental education coursework, scheduling and availability of courses, or other factors, all students may not be able to complete this degree in two (Associate’s) or four (Bachelor’s) years. The term “2+2” does not imply a guarantee that a student will be able to complete all requirements in four years.

Preparing for Bethany College

- Students completing this option will receive an Associate in Arts degree from West Virginia Northern. Upon completing the remaining specified credit hours at Bethany College they will receive a Bachelor of Arts Degree in Elementary Education. Although 67 credit hours are required for the associate degree, Bethany may accept up to 74 credit hours in transfer. In addition to the WVNCC courses, applicants for admission to Bethany’s Teacher Education program must meet the following criteria:
- Submit a transcript to Bethany College verifying an overall grade point average of 2.5 overall
- Submit a written application for admission to teacher education to the Director of Teacher Preparation Programs
- Submit two positive recommendations from faculty
- Successful completion of the PRAXIS I - PPST (reading, mathematics, & writing)
- Positive recommendation by the Education Unit faculty

We understand that managing multiple responsibilities while attending college can make life complex for many students. So, we pledge to do *our* part, through individualized advising and support, to help *you* make collegiate choices that will lead straight to the finish line.
