FAQs

Q: How do I set up my computer to be able to connect to Northern on the Web (N.O.W.)?

A: In order for the Northern on the Web single sign on button to work, you must allow pop-ups. Depending on which browser you use, the procedure to allow pop-ups will be as follows:

Internet Explorer

1. In Internet Explorer, when a pop-up window is blocked a yellow information bar is displayed at the top of the browser window alerting the user

2. To allow pop-ups, you must left click the yellow information bar and select ‘Always Allow Pop-ups from This Site’

3. Finally, click ‘Yes’ on the confirmation dialog

4. Log out/in again to allow the pop-up to display

**Google Chrome**

1. In Google Chrome, the warning is more subtle. A icon displays on the address bar of the browser alerting the user that a pop-up was blocked

![Google Chrome Pop-up Block](image)

2. Left click the notification icon, and select ‘Always allow pop-ups from student.mail.wvncc.edu’

![Google Chrome Pop-up Options](image)

3. Click Done, and then log out/in again to allow the pop-up to display
