Certification Option

Your **ACADEMIC MAP** includes all of the courses required in your degree program, organized in a semester-by-semester sequence that allows you to graduate on time without losing credits, missing classes or falling out of your cohort.

Pre-Teacher Education: Social Studies 2+3 with West Liberty University: Looking Ahead

- The “2+2” term is used to refer to a transfer agreement through which a student completes an Associate’s degree at one institution and finishes a Bachelor’s degree at another institution. Due to individual student factors, part-time or full-time status, need for developmental education coursework, scheduling and availability of courses, or other factors, all students may not be able to complete these degrees in two (Associate’s) or four (Bachelor’s) years. The term “2+2” does not imply a guarantee that a student will be able to complete all requirements in four years. Further, 2+2 articulation agreements contain very specific requirements which have been agreed upon and approved by the administration and faculty at both institutions. Because of this, petitions for course substitutions will not usually be considered or approved to allow a student to graduate under a 2+2 program.

Preparing for West Liberty University

- In addition to the WVNCC courses, applicants for admission to the Teacher Education program at WLU must:
 - Have a 3.0 cumulative GPA or better*
 - Have earned at least a “C” in all courses to be used in transfer
 - Pass a professional skills test (Praxis I), which must be taken before the student can be admitted to Teacher Ed, so it must be completed during the last semester at WVNCC, over the summer, or early in the first semester at WLU
 - Pass a criminal background check
 - Have completed a 1 credit course through WLU (EDUC 100 - Introduction to Professional Education), which is a twelve (12) hour field-based experience which includes direct instruction, simulations, and group discussions. Minimum grade of “C” is required. It is recommended that transferring students plan to take this course during the summer prior to transferring to WLU if possible.
 - It is recommended that students electronically save samples of their work from several classes at WVNCC for the portfolio they must submit when they are in their final year of the bachelor’s degree at WLU.
