*Although a cumulative GPA of 2.0 meets WVNC graduation requirements, West Liberty University may require other standards for transfer admission into their Bachelor in Business Administration Program

KEY:  Milestone  Certification Option

15 to **FINISH** Do it and... *you're done!*

Your **ACADEMIC MAP** includes all of the courses required in your degree program, organized in a semester-by-semester sequence that allows you to graduate on time without losing credits, missing classes or falling out of your cohort.

Associate in Science: Business Administration 2+2 with West Liberty University: Looking Ahead

- The "2+2" term is used to refer to a transfer agreement through which a student completes an Associate degree at WVNC and finishes a Bachelor degree at a transfer institution-- in this case, West Liberty University. Because of individual student factors, part-time or full-time status, need for developmental education coursework, wcheduling and availability of courses, or other factors, all students may not be able to complete this program in the collective 4 years (two for Associate and two additional for Bachelor). The term "2+2" does not imply a guarantee that a student will be able to complete all requirements in 4 years.

Preparing for West Liberty University

- Always consult your advisor at both WVNC and WLU early into your program to check which additional requirements, if any, exist for admission into the Business Administration baccalaureate program.
- Upon graduation from WVNC, don't forget to request your academic transcript be sent to WLU's registrar's office and complete a transfer clearance form.
- Visit www.westliberty.edu for more information regarding the West Liberty University BS in Business Administration program.
