*Students must maintain a 2.0 cumulative GPA to meet WVNCC graduation requirements			

KEY:

Milestone

Certification Option

Your **ACADEMIC MAP** includes all of the courses required in your degree program, organized in a semester-by-semester sequence that allows you to graduate on time without losing credits, missing classes or falling out of your cohort.

Pre-Psychology with Social Work 2+2 with West Liberty University: Looking Ahead

- The "2+2" term is used to refer to a transfer agreement through which a student completes an Associate's degree at one institution and finishes a Bachelor's degree at another institution. Due to individual student factors, part-time or full-time status, need for developmental education coursework, scheduling and availability of courses, or other factors, all students may not be able to complete these degrees in two (Associate's) or four (Bachelor's) years. The term "2+2" does not imply a guarantee that a student will be able to complete all requirements in four years.

Preparing for West Liberty University

- In addition to the WVNCC courses, applicants for admission to WLU need to have an overall grade point average of 2.0 and meet other program admissions requirements of WLU to be eligible under the 2+2 program. Students must also complete a separate application for the Department of Psychology and fulfill other program admissions requirements.
- It is recommended that students speak with advisors from programs at both WVNCC and WLU in order to ensure all transfer and program requirements are being met prior to graduation
- Upon graduation, submit your official academic transcript to the Office of the Registrar at West Liberty University and complete a transfer clearance form.

We understand that managing multiple responsibilities while attending college can make life complex for many students. So, we pledge to do our part, through individualized advising and support, to help you make collegiate choices that will lead straight to the finish line.
