*While a 2.0 cumulative GPA meets WVNCC graduation requirements, WLU's Elementary Education program requires a 3.0 cumulative GPA or better and the student must have earned a "c" in all courses used in transfer			

**KEY:**  Milestone  Certification Option

Your **ACADEMIC MAP** includes all of the courses required in your degree program, organized in a semester-by-semester sequence that allows you to graduate on time without losing credits, missing classes or falling out of your cohort.

### Elementary Education 2+2 with West Liberty University: Looking Ahead

- The "2+2" term is used to refer to a transfer agreement through which a student completes an Associate degree at WVNCC and finishes a Bachelor's degree at another institution. Because of individual student factors, part-time or full-time status, need for developmental education coursework, scheduling and availability of courses, or other factors, all students may not be able to complete this degree in two (Associate's) or four (Bachelor's) years. The term "2+2" does not imply a guarantee that a student will be able to complete all requirements in four years.

### Preparing for West Liberty University

- To be admitted to the WLU program, students must:
  - Have a 3.0 cumulative GPA or better\*
  - Have earned at least a "C" in all courses to be used in transfer.
  - Pass a professional skills test (Praxis I), which must be taken before the student can be admitted to Teacher Ed., so it must be completed during the last semester at WVNCC, over the summer, or early in the first semester at WLU.
  - Pass a criminal background check
  - Have completed a 1 credit course through WLU (EDUC 100 - Introduction to Professional Education), which is a twelve (12) hour field-based experience which includes direct instruction, simulations, and group discussions. *It is recommended that transferring students plan to take this course during the summer prior to transferring to WLU if possible.*
  - It is recommended that students electronically save samples of their work from several classes while at WVNCC for the portfolio they must submit when they are in their final year of the bachelor's degree at WLU.

We understand that managing multiple responsibilities while attending college can make life complex for many students. So, we pledge to do our part, through individualized advising and support, to help you make collegiate choices that will lead straight to the finish line.
