*Although a cumulative GPA of 2.0 meets WVNC graduation requirements, Franciscan University of Steubenville may require other standards for transfer admission into their Bachelor in Social Work Program			

Your **ACADEMIC MAP** includes all of the courses required in your degree program, organized in a semester-by-semester sequence that allows you to graduate on time without losing credits, missing classes or falling out of your cohort.

Associate in Applied Science: Business Studies, Business Administration 2+2 with Franciscan University of Steubenville: Looking Ahead

- The "2+2" term is used to refer to a transfer agreement through which a student completes an Associate degree at WVNC and finishes a Bachelor degree at a transfer institution--in this case, Franciscan University of Steubenville. Because of individual student factors, part-time or full-time status, need for developmental education coursework, wcheduling and availability of courses, or other factors, all students may not be able to complete this program in the collective 4 years (two for an Associate's and two additional for a Bachelor's). The term "2+2" does not imply a guarantee that a student will be able to complete all requirements in 4 years.

Preparing for Franciscan University of Steubenville

- Always consult your advisor at both WVNC and FUS early into your program to check which additional requirements, if any, exist for admission into the Social Work baccalaureate program.
- Upon graduation from WVNC, don't forget to request your academic transcript be sent to FUS's registrar's office and complete a transfer clearance form.
- Visit www.franciscan.edu for more information regarding Franciscan University of Steubenville's BA in Social Work program.
