Student E-mail Account

As a registered student at WV Northern Community College you are being issued a permanent email account on the Windows Live@edu portal. This email address will not retire when you graduate and can be used for as long as you like.

Access

To access your email, you must log into your MyWVNCC Student Portal and click on the Student Email Single Sign-On button. Once clicked, your browser will open a new tab/window and log you into your account.

First Time Setup

If you receive the first time user setup for Microsoft, please follow the instructions below to complete the registration:

In the first step, you are required to enter either a phone number or alternate email address. Please complete the form and click Save to continue. A confirmation window is displayed to inform you that the changes were successful. (Figure 1)

The second step is to set up your language and time-zone. Please complete the form seen in Figure 2 (left) and click OK to continue.

You will then be re-directed to your inbox.

If you encounter any problems, please contact your local Student Service Center for assistance.
