### Associate in Arts: Pre-Social Work 2+2 with Bethany College: Looking Ahead

- The intent of the AA in Pre-Social Work 2+2 is to be a transfer agreement program in which a student receives an Associate at one institution and finishes a Bachelor degree at another institution. Due to individual student factors, part-time or full-time status, need for developmental education coursework, scheduling and availability of courses, or other factors, all students may not be able to complete these degrees in two years for the Associate or four years for the Bachelor. The term "2+2" does not imply a guarantee that a student will be able to complete all requirements in 4 years. Further, 2+2 articulation agreements contain very specific requirements which have been agreed upon and approved by the administration and faculty at both institutions. Because of this, petitions for course substitutions will not usually be considered or approved to allow a student to graduate under a 2+2 program.

### Preparing for Bethany College

- In addition to the WVNCC courses, applicants for admission to Bethany's Social Work program must meet the following criteria:
  - Submit a transcript to Bethany College verifying an overall GPA of 2.0
  - Obtain Bethany College's Social Work Student Handbook and additional forms and instruction for the following criteria:

    - Complete and submit a criminal background check
    - Complete and submit a written personal statement entitled "Why I Want to be a Social Worker"
