*Although a cumulative GPA of 2.0 meets WVNC graduation requirements, Franciscan University of Steubenville may require other standards for transfer admission into their Bachelor in Business Administration Program

KEY:  Milestone  Certification Option

Your **ACADEMIC MAP** includes all of the courses required in your degree program, organized in a semester-by-semester sequence that allows you to graduate on time without losing credits, missing classes or falling out of your cohort.

Associate in Applied Science: Business Studies, Business Administration 2+2 with Franciscan University of Steubenville: Looking Ahead

- The "2+2" term is used to refer to a transfer agreement through which a student completes an Associate degree at WVNC and finishes a Bachelor degree at a transfer institution--in this case, Franciscan University of Steubenville. Because of individual student factors, part-time or full-time status, need for developmental education coursework, scheduling and availability of courses, or other factors, all students may not be able to complete this program in the collective 4 years (two for an Associate's and two additional for a Bachelor's). The term "2+2" does not imply a guarantee that a student will be able to complete all requirements in 4 years.

Preparing for Franciscan University of Steubenville

- Always consult your advisor at both WVNC and FUS early into your program to check which additional requirements, if any, exist for admission into the Business Administration baccalaureate program.
- Upon graduation from WVNC, don't forget to request your academic transcript be sent to FUS's registrar's office and complete a transfer clearance form.
- Visit www.franciscan.edu for more information regarding Franciscan University of Steubenville's BS in Business Administration program.

We understand that managing multiple responsibilities while attending college can make life complex for many students. So, we pledge to do *our* part, through individualized advising and support, to help *you* make collegiate choices that will lead straight to the finish line.
