Mr. Gilmore will write a letter on behalf of the Board to area legislators regarding the need for a new air conditioning/heating system.

She reported that the College has its sights set on three more grants: (1) One to develop a Center for Adult Learners/Developmental Education, (2) one for the ACT Center, and (3) a grant to allow the College to continue using the ATM system for telecommunications between the three campuses. Assistance from the Office of the Secretary of Education and the Arts will no longer be provided for the ATM system.

The Board asked that the College devise a capital plan for the next three to five years that can be shared with local legislators. Dr. Hunter assured the Board that this will be done in connection with the 2003 budget.
