A. Rescind Resignation of Mary K. DeGarmo

Ms. DeGarmo previously submitted her resignation from the Board, effective June 30, 2010, since she resigned as superintendent of the Brooke county school system as of that date. Having a county superintendent on the Board of Governors, however, is no longer a requirement; therefore, the Board rescinded the resignation of Mary K. DeGarmo. Ms. DeGarmo will continue as a lay member on the Board.
B. Election of Officers

The Board conducted its annual election for Board Chair. Per West Virginia Code, Board chairs are permitted to serve four consecutive one-year terms. Mr. Monezis made a motion that Mr. Craycraft continue as chair of the Board of Governors for a third term. Mr. Wycherley seconded the motion. Motion carried.

C. Fundraising Rule – 3rd Reading

The Fundraising Rule was presented to the Board on its third reading. The Rule requires all organizations and affiliations to request permission from the College president and notify Institutional Advancement before any fundraising activities are initiated. Funds raised through authorized activities must be deposited with the WVNCC Foundation or in a designated College account. Ms. Harman made a motion that the Board accept the Fundraising Rule on its 3rd reading. Mr. Clarke seconded the motion. Motion carried.

D. One-time Salary Enhancements

In a letter dated August 9, 2010 to the Community and Technical College Advisory Committee (copies distributed in Board agenda booklet), Chancellor Skidmore reported it has been determined that institutions may provide one-time salary enhancements that will not become a part of the recipient’s continuing base salary. The amount of any salary enhancement shall be provided over the remaining pay periods in the current fiscal year. Increases to employees at colleges providing the one-time salary enhancement will go into effect on October 1.

Classified staff funded on the Mercer scale (up to 15 years of service) received raises for the 2010-2011 fiscal year, and faculty who received promotions received a 10% salary increase for the current fiscal year. At the October 19, 2009 Board meeting, the Board approved a salary increase for those who did not receive an increase at the beginning of fiscal year 2010-2011. The increase approved by the Board at that meeting included a 2% raise for those off the Mercer scale, a 2% increase for administration with salaries up to $60,000, and those over $60,000 would receive a $500 across-the-board increase. Faculty that have not received merit raises for the past two years will receive their merit raises, and classified staff with 15+ years of service will receive a one-time salary enhancement.

Dr. Olshinsky suggested the Board consider a 4% increase for classified staff with 15+ years of service. Scenarios for a 3% and 4% increase were presented to the Board for non-classified (administrative) employees. All salary enhancements would be active only until June 30, 2011, at which time the increases would be rescinded.
Dr. Cummings suggested a sign-off sheet be included in letters to personnel receiving salary enhancements to indicate they understand the increases will be rescinded on June 30, 2011.

Mr. Clarke made a motion the Board approve a one-time 4% salary enhancement for classified and non-classified staff that did not receive a salary increase in the previous year. Mr. Monezis seconded the motion. The enhancement money will be divided evenly between October 1, 2010 and June 30, 2011. Included in the motion is the increase, as presented, for faculty (2 steps on the 2009 scale, redlined faculty $500 each, FY 2010 Merit, FY 2011 Merit). A sign-off sheet will be included with salary-enhancement letters to employees, and the increase will be distributed through the remainder of the fiscal year. Mr. Clarke made a motion to approve the one-time salary enhancement as listed above. Ms. Harman seconded the motion. Motion carried.
