Completed Healthcare Certificate program (non-PCT)	= 1		
Completed WVNCC's PCT program	= 2		
Current Healthcare Licensure or Certification A copy of the certificate must be included in the application to earn points.	= 1 point each		
Current Employment as a CNA or Medical Technician in a health care facility for more than 3 months.	= 1		
Previous Nursing Program admission and withdrawal (WVNCC or other)	= -2		
Grade of W/D/F Fall 2019 or later	1-3 Courses = -1 4+ Courses = -2		
		Total Points	

The Fall 2021 admission will be chosen based upon the total number of points from the above selection criteria. Those students scoring higher on the selection criteria will be chosen before students with lower selection points. In the event of a tie in total selection points, the highest grade GPA will be the first tie breaker and then the highest score on the TEAS test. If a student is not selected for a Fall admission into the program, they must reapply for the following year.
