

Surgical Technology Program Admission Requirements

Admission to the Surgical Technology, AAS program requires (1) completion of an Allied Health Application; (2) an overall GPA of 2.50 at the time of admission; (3) successful completion of a background check and drug screening; and (4) a physical examination as per the Allied Health Department Health Record (students schedule with their own physicians).

A minimum grade of a "C" is required in all courses to remain in the program and graduate.

Surgical Technology is a limited enrollment program. Candidates must submit an [Allied Health Application](#) (in addition to completing a regular degree seeking application) and pay an application fee. All appropriate records from high school, previous colleges, and standardized placement scores must be received in the Admissions Office before the application is reviewed. Early application is highly recommended. **The deadline to apply has been extended from June 11 to June 24 at 5 pm.**

Applicants should check their WVNCC email account regularly for updates from the Admissions Office. Students granted admission must submit a \$200 deposit to confirm their spot in the program and successfully complete a background check, drug screening, and physical examination by their physician.
