*Although a 2.0 cumulative GPA meets WVNC graduation requirements, there may be a different GPA requirement or other special requirements for WLU's transfer students and admission into the Community Education baccalaureate program			

KEY:

Milestone

Certification Option

Your **ACADEMIC MAP** includes all of the courses required in your degree program, organized in a semester-by-semester sequence that allows you to graduate on time without losing credits, missing classes or falling out of your cohort.

Community Education 2+2 with West Liberty University

- The "2+2" term is used to refer to a transfer agreement through which a student completes an Associate degree at WVNC and finishes a Bachelor's degree at another institution. Because of individual student factors, part-time or full-time status, need for developmental education coursework, scheduling and availability of courses, or other factors, all students may not be able to complete this degree in two (Associate's) or four (Bachelor's) years. The term "2+2" does not imply a guarantee that a student will be able to complete all requirements in four years.

Preparing for West Liberty University

- Students are encouraged to meet with the Community Education program advisor at WLU early in their program of study at WVNC to obtain information and advising concerning the program. Consult your WVNC advisor for further information.
- After graduation, don't forget to send your official academic transcript to the Office of the Registrar at West Liberty University and complete a transfer clearance form

We understand that managing multiple responsibilities while attending college can make life complex for many students. So, we pledge to do *our* part, through individualized advising and support, to help *you* make collegiate choices that will lead straight to the finish line.
