Purpose:

The purpose of this rule is for the College to take all prudent steps to promote a safe and secure environment that is compatible with the institution's academic and co-curricular pursuits.

Rule:

West Virginia Northern Community College will develop and implement guidelines that support making its community safe and secure by developing a comprehensive approach to a safe College for all members of the campus community. Individual involvement is essential and community members commit to report any suspicious activity or crime immediately.

WVNCC commits to enhancing the quality of life of the campus community by integrating the best practices of safety and security. It acknowledges the use of video surveillance technology as part of a comprehensive security plan.

This rule does not supersede or contain all federal, state or local laws, codes, or regulations governing health and safety. The College will report the campus security rules and crime statistics of the institution and keep statistics on file consistent with applicable State and Federal laws.
