Your FAFSA was selected for review in a process called "Verification." In this process WVNCC is required to compare information from your FAFSA with other documentation such as an official IRS Tax Return Transcript or IRS Verification of Non-filing Letter for you and your spouse, if married. If you and/or your spouse, if married, were not required to file a federal tax return you must submit copies of any W-2 forms or earnings statements. The law says we have a right to ask you for this information before awarding federal aid. If there are differences between your FAFSA and your financial documents we may need to send corrections electronically to have your information reprocessed.

## What you should do

- Complete this worksheet. **ALL SECTIONS MUST BE FILLED IN.** You MUST sign the worksheet.
- Send or take the completed worksheet, plus copies of your and your spouse's, if married, 2023 IRS Tax Transcript or signed copy of a federal income tax return/Verification of Non-filing Letter, and 2023 W-2s (if applicable) to the Financial Aid Office or your Campus Service Center at WVNCC.

We must review the requested information under the financial aid program rules (CFR Title 34, Part 668).

## B. Student's 2023 Income Information

- \*\* FEDERAL TAX RETURN FILERS ONLY \*\***—**Important Note:** If you (or your spouse, if married) filed, or will file, an amended 2023 Federal Income Tax Return, you must submit a signed copy of the 2023 IRS Form 1040X.

**Instructions:** Complete this section if the student filed or will file a 2023 income tax return with the IRS. *The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If you have not already used the tool, go to studentaid.gov, log in to the student's FAFSA record, select "Make FAFSA Corrections," and navigate to the "Student Financials" section of the form. From there, follow the instructions to determine if the student is eligible to use the IRS Data Retrieval Tool to transfer 2023 IRS income tax information into the student's FAFSA.*

Check only one box below:

- ☐ Check here if you used the IRS Data Retrieval Tool in FAFSA on the Web to retrieve and transfer 2023 IRS income information for you (and your spouse, if married) without altering the data into the FAFSA, either on the initial FAFSA or when making a correction to the FAFSA. **WVNCC will use the IRS information that was transferred in the verification process. YOU DO NOT NEED TO PROVIDE A COPY OF A 2023 IRS TAX RETURN TRANSCRIPT.**

- ☐ Check here if you have not yet used, or were unable to use the IRS Data Retrieval Tool in FAFSA on the Web.

**WVNCC cannot complete the verification process until the IRS information has been transferred without altering the data into the FAFSA -or- you submit to WVNCC a 2023 IRS tax return transcript or a signed copy of your federal income tax return (Form 1040) for you (and your spouse, if married)**

*To obtain an IRS tax return transcript, go to [www.irs.gov](http://www.irs.gov) and click on "Get Your Tax Record" on the main/home screen. Select either "Get Transcript Online" or "Get Transcript by Mail" and follow the prompts. Make sure to request the "IRS tax return transcript" and not the "IRS tax account transcript." You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when the 2023 IRS tax return was filed). It takes up to two weeks for IRS income information to be available for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers.*

If the student and spouse filed separate 2023 IRS income tax returns, **2023 IRS Tax Return Transcripts or signed copies of federal income tax returns (Form 1040)** must be provided for both.

- ☐ Check here if you are attaching a copy of your (and your spouse's, if married) 2023 IRS Tax Return Transcript(s) or a signed copy of federal income tax return(s) (Form 1040) to this worksheet.

2. **\*\* TAX RETURN NONFILERS ONLY \*\***—Complete this section if you (and, if married, your spouse) will not file and are not required to file a 2023 federal income tax return with the IRS.
