

**MISSION STATEMENT**  
**BUSINESS AND PUBLIC SERVICES DIVISION**

The Business and Public Services Division is composed of faculty members in the disciplines of Business Studies, Computer and Information Technology, Culinary Arts, Paralegal Studies, and Criminal Justice. Our mission is to provide students with a quality education to meet the highly competitive specialized skills needed for job placement in our degree areas. The faculty works cooperatively with other College personnel and members of the community through advisory committees to develop, implement, improve, and assess each area.
