- You will NOT have access to any purses, cell phones, or backpacks during the exam. These items must be placed in a **designated area** provided in the testing room. If you must access a personal item, such as an item needed to take to a restroom, this is allowed. However, if you access anything else from the secure area (cell phone, backpack, study notes, etc.), your test will be invalidated.
- All electronic devices must be turned off while in the testing area. If your cell phone rings or makes any noise while in the testing area, your test will be invalidated and your fees will not be refunded. If you access, check, or turn on your cell phone at any time during your test session (including your break), your test will be invalidated. WVNCC, its affiliated companies, agents, or contractors will not assume responsibility for the loss, theft, or damage to any prohibited electronic device or other personal property brought into the testing center or left in your car.
