### **HEERF III Allocation for Public and Nonprofit Institutions under ARP section 2003(a)(1)**

**Period: January 1, 2022 through March 31, 2022**

#### **CFDA 84.425E Allocation**

West Virginia Northern Community College (WVNCC) received an additional \$1.7 million dollar in HEERF III funds in May 2021 for student grants. The College's Budget Committee implemented a plan to disburse grants in accordance with all regulations, placing priority on need-based students.

WVNCC made no disbursements in the period of Jan 1, 2022 to March 31, 2022. The balance remaining to be disbursed is \$511,536.

WVNCC intends to distribute the remaining balance of funds to students enrolled in the Spring 2022 term with a similar formula used in the past, designed to place priority on need-based students, such as those who qualify to receive Federal Pell grants. Eligible students will include degree-seeking, nondegree, noncredit, and continuing education students, as well as students who are simultaneously enrolled in high school and college (Early Entrance).
