

Northern needs your input!

In March 2013, WVNCC will be reviewed for re-accreditation by the North Central Association of the Higher Learning Commission. Part of this process includes conducting an institutional self study.

To assess our involvement and quality of service in the community, we are asking that you take a few moments of your time (about 15-20 minutes) to complete our survey. The survey is available electronically, and information for accessing the survey is below:

If you need assistance with completing this survey, please contact Melanie Eberhart in our Institutional Research Department at 304-214-8914.

Thank you for your support of our institution and for helping us measure our service to you. This will allow us to see what we do well and what we could improve. We appreciate your participation!

Yours truly,
WVNCC Reaccreditation Steering Committee
