

**West Virginia Northern Community  
College**

**NC-5002 Debt Collection Rule**

Rule Number: NC-5002

Effective Date: February 7, 2024

Date Rescinded by WVNCC Board of Governors: January 25, 2024

Date Approved by WVCTCS: February 6, 2024

Replaces previous policy dated: ~~March 24, 2005~~

**Purpose:**

There is not a regulatory requirement for a Debt Collection Rule from the Board of Governors. Legislative Code 14-1-18 does allow for any state agency, with the advice of the Attorney General, to adjust and settle upon just and equitable principles without regard to strict legal rules any account or claim, which may at the time have been standing upon the books for more than five years. However, there is not a requirement for the Board of Governor's to propagate such a rule.

Hence, the recommendation is to repeal the current rule. WVNCC will continue to operate according to all state code and practice fair practices in regards to debt collection.
