

West Virginia Northern Community College

NC-4010 Catalog Rule

Rule Number: NC-4010

Effective Date: July 1, 2025

Date Approved by WVNCC Board of Governors: April 24, 2025

Date Approved by the WVCTCS: June 30, 2025

Purpose:

The purpose of this rule is to establish guidelines for the College Catalog.

Rule:

This rule establishes the College's right to repeal, revise, or amend the information contained in the College catalog. Students must follow the program requirements listed in the catalog in effect at the time of entry into their program (provided graduation requirements are completed within five years). The College shall develop and maintain an administrative procedure governing policies and processes regarding changes to the catalog and their impact on students.
